Corlett, H., & **Breuer, L** (2018). Using mindfulness to improve staff wellbeing in a stroke MDT. *UK Stroke Forum Abstracts, 267. International Journal of Stroke, 13, 3S, 63.*

**Breuer, L** (2018). PROMPT: a new mnemonic for assessing risk of self-harm in a stroke MDT context. *UK Stroke Forum Abstracts, 266. International Journal of Stroke, 13, 3, 63.*

Haddow, L., Barber, T., **Breuer, L.**, Cartledge, J., & Pierce, K. (2016). Evidence-based perspectives on the implementation of screening for neurocognitive impairment in HIV. *Neurobehavioural HIV Medicine, 7, 31-41.*

**Breuer, L.**, & Barker, C. (2015). Online support groups for depression: benefits and barriers. *Sage Open, 5, (2), 1-8.*

Barber, T., Cartledge, J., **Breuer, L.** & Haddow, L. (2014). Psychological screening coverage and symptom prevalence in routine HIV outpatient care, newly diagnosed patients and referrals for treatment advice. *HIV Medicine, 15, 74-74.*

**Ferguson, E.F.** (2020). Anonymised book chapter in: Reuber, M., Rawlings, G., & Schachter, S. (Eds.). *Non-Epileptic Seizures in our Experience.* Oxford University Press.

**Ferguson, E.F.** (2020). 'I know it, but I don't feel it': Reflections on using compassion focused therapy (CFT) to tackle the limitations of traditional cognitive behavioural therapy (CBT) after acquired brain injury (ABI). *The Neuropsychologist, 9, 30-36.*

**Ferguson, EF.** (2019). Does kindness conquer all? *NeuroRehabilitation Times, Q1.*

**Ferguson, E.F.** (2018). "I know it, but I don't feel it": How CFT can tackle CBT's limitations after brain injury. Poster presented at: *UKABIF 10<sup>th</sup> Annual Conference; Nov 5; London, UK.*

**Ferguson, E.F.** (2018). "I know it, but I don't feel it": How CFT can tackle CBT's limitations after brain injury. Poster presented at: *The Compassionate Mind Foundation's 7<sup>th</sup> International Conference – Cultivating Compassion, Positive Emotion and Well-Being; Oct 3-5; London, UK.*

**Ferguson, E.F.** (2017). "Applying for PIP following ABI: Appeals, awareness and advocacy". *The Neuropsychologist, Issue 4.*

**Ferguson, E.F.** (2016). "She's the same but not the same": The experience of adjustment to relationship changes in men whose female partners have an acquired brain injury. Poster presented at: *British Psychological Society, Division of Neuropsychology 5<sup>th</sup> Annual Conference; Nov 17-18; London, UK.*

O Donnchadha, S., Burke, T., Bramham, J., **O'Brien MC**, Whelan, R., Reilly, R., Kiiski, H., Lonergan, R., Kinsella, K., Kelly, S., McGuigan C., Hutchinson, M. and Tubridy N. (2013). Symptom Overlap in Anxiety and Multiple Sclerosis. *Multiple Sclerosis, 19(10), 1349-54.*

**O'Brien, MC.**, das Nair, R. & Lincoln, N.B. (2012). A comparison of the content of memory

rehabilitation groups for neurological patients. *Neuropsychological Rehabilitation*; An international journal. 23(3), 321-332.

**Parry, R., & Soeterik, S.** (2021). Compassionate Pragmatism and Windows of Therapeutic Opportunity. Presentation at: *The British Psychological Society Division of Neuropsychology Annual Conference 2021, 15<sup>th</sup> October, UK.*

Saverino, A., Waller, D., Rantell, K., **Parry, R.**, Moriarty, A. & Playford, D. (2016). The role of cognitive factors in predicting balance and fall risk in a neuro-rehabilitation setting. *PLoS ONE*, 11(4):e0153469.

Saverino, A., Moriarty, A. Rantell, K., Waller, D., **Parry, R.** & Playford, D. (2015). A qualitative description of falls in a neuro-rehabilitation unit: the use of a standardised fall report including the International Classification of Functioning (ICF) to describe activities and environmental factors. *Disability & Rehabilitation*, 37(4), 355-62.

Butler, S. M., **Parry, R.**, & Fearon, R. M. P. (2014). Antisocial Thinking in Adolescents: Further Psychometric Development of the Antisocial Beliefs and Attitudes Scale (ABAS). *Psychological Assessment*. Advance online publication. November, 10.

**Soeterik, S.M.**, Connolly, S., Playford, E, D., Duport, S., & Riazi, A. (Submitted). Struggling to achieve balance: A focus group study of the experiences of multidisciplinary healthcare professionals in prolonged disorders of consciousness. *Disability and Rehabilitation*.

**Soeterik, S.M.**, Turner, E., & Sanchez-Perez, A. (2018). "How many people in my house?": Family members experiences of intensive domiciliary community care following brain injury. Poster presented at: From neurotechnologies to community care. 10th World Congress for Neurorehabilitation. February 7-10, Mumbai, India. Abstract published in *Neurorehabilitation and neural repair*, 32 (4-5), 468.

**Warren, L., & Soeterik, S.** (2018). Clinicians perspectives on the use of social media after brain injuries. *The Neuropsychologist*, 5, 67 – 74

**Soeterik, S.M.**, Connolly, S., & Riazi, A. (2018). "Neither a wife nor a widow": An interpretative phenomenological analysis of the experiences of female family caregivers in disorders of consciousness. *Neuropsychological Rehabilitation*, 28(8), 1392-1407.

**Soeterik, S.M.**, Connolly, S., Playford, E, D., Duport, S., & Riazi, A. (2017). The psychological impact of prolonged disorders of consciousness on caregivers: a systematic review of quantitative studies. *Clinical Rehabilitation*, 31(10):1374-1385

Hitchen, H., Magee, W.L., & **Soeterik, S.** (2010). Music therapy in the treatment of patients with neuro-behavioural disorders stemming from acquired brain injury. *Nordic Journal of Music Therapy*, 19 (1), 63 – 78.

Duport, S., Worsley, A., Twiston-Davies, R., Broadhurst, L., Hopkins, C., Daveson, B., **Soeterik, S.**, Crawford, S., Gale, E., Scott, A., Baker, M., Finch, H., Salanio, D.M., Cabungcal, J., Dauya, L., Ojuluwayo,

R. (2008). Analysis of falls of patients in the later stages of Huntington's disease in a specialist unit. *Journal of Neurology, Neurosurgery & Psychiatry*, 79 (Supplement 1), A16.

Pender, N. P., & **Soeterik, S. M.** (2002). Positive approaches to the management of challenging behaviour in severe brain injury. *British Psychological Society Conference Proceedings*, 10(2),93

**Soeterik, S.M.**, Connolly, S. A. V., & Riazi, A. (2016, November). "Neither a wife nor a widow": An IPA investigation of the experience of women with disorders of consciousness. Poster Session presented at the meeting of British Psychological Society Division of Neuropsychology Annual Conference, London.

**Soeterik, S.M.** (2014). International Brain Injury Symposium 2014 Report. *Advances in Clinical Neuroscience and Rehabilitation*,14, 14.

**Soeterik, S.M.**, Connolly, S. A. V., & Riazi, A. (2015, March). *Complex grieving and the role of staff*. Paper presented at The National Brain Injury Symposium: complexity and best practice conference, Royal Hospital for Neuro-disability, London.

**Soeterik, S.M.**, Connolly, S. A. V., & Riazi, A. (2015, June). "Neither a wife nor a widow": Prolonged Disorders of Consciousness, the experience of staff and families. Paper presented at The Neuro-disability and British Society of Disability and Oral Health Conference, Canterbury.

**Soeterik, S.M.**, Connolly, S. A. V., & Riazi, A. (2016, September). *Complex coping and complex caring: The experiences of families and healthcare professionals supporting people with disorders of consciousness*. Paper presented at the Recent advances in the assessment, diagnosis and MDT management of people with disorders of consciousness Conference, Liphook, Hampshire.
